

Cookie Policy on Fiduciary Management, Inc and FMI Funds Website

Fiduciary Management, Inc (the “Company”) and our affiliates websites utilize a few different technologies to collect, store, and aggregate data about usage of our website We use electronic tags or identifiers (often called "cookies" so that is how we will refer to them in this notice) to help us understand and analyze use of our site. We collect information about which pages have been accessed and for how long, the country you are accessing a site from, and certain technical information regarding your computer and operating systems, such as your Internet Protocol address (IP address), domain name and browser, etc.

Certain sections of the Company’s website require cookies to be enabled to enhance site performance. For example, cookies provide a secure way for us to verify your identity during your online session and any return visits, they enable us to personalize your experience on our site and they help enhance site navigation. Cookies also help us to understand how people use our site so we can improve site functionality.

We use two types of cookies on our sites, temporary cookies and persistent cookies. Temporary cookies are used to store information during a browser session and will expire shortly after concluding a visit to one of our sites. Persistent cookies are used to store information between visits to our site and are stored permanently or for a specified length of time. Persistent cookies are used by the Company to facilitate easier navigation within our site and provide a higher level of convenience for the visitor.

You can choose to have your computer warn you each time a cookie is being sent, or you can choose to turn off all cookies. Your management of cookies generally is handled through your browser's settings (e.g., Edge, Chrome, Firefox, Safari, etc). You should review your browser's Help menu to learn the correct way to modify your cookies.
